

MID WEIGHT MOTION DESIGNER FILM, BRAND AND CONTENT

Company : Zero Degrees West Ltd

Contract : Permanent

THE AGENCY, WHO WE ARE.

We are an award winning, full-service integrated marketing agency located in London (UK), Melbourne (Australia) and Los Angeles (Hollywood). We have a diverse client base across film, entertainment, TV, consumer entertainment and FMCG.

Since 2006, we've grown from one to over forty by finding the right people – people that don't only slot right in to our studio culture, but bring something incredible to it.

People mean the world to us. That includes looking after our own, with things like:

- Global clients and world-class work
- Training, support and personal career development
- A unique, inspiring working environment and a culture like no other
- A quite frankly ludicrous free fully filled vending machine

THE ROLE.

The ideal candidate will have a degree in graphic design or other related creative subject, with a significant and demonstrable background in overseeing dynamic projects, preferably in a multi-disciplinary creative agency busy agency. An eye for graphic design is essential. This is a fantastic opportunity to work in a successful, high profile Company.

You will need to be an experienced Motion Designer with a number of previous Motion Design roles under your belt, preferably in a multi-disciplinary agency environment. You will be able to work across a diverse range of industries and mediums, you will also have a portfolio which really wows us! You will need to be brimming with ideas and have a real hunger and passion for design, you will challenge the norm and strive for the best. This role reports directly into the Design Director.

While standard working hours are 9am to 5.30pm, there may be times when you are required to work closely with our LA office, and required to change your work pattern to 11am to 7pm for one week per every 3-4 weeks.

YOUR RESPONSIBILITIES.

- To drive the creative output of the studio by keeping ideas and concepts fresh, ensuring that you push the boundaries of design
- Be a strong contributor to the creative processes by sharing ideas & creative thoughts which strive to keep ideas, designs imaginative & innovative
- Along with the Design Director, help drive the creative output of the whole design team, whilst working alongside the wider team. Help push creative outputs & design innovations to the next level

- Bring original and cutting edge ideas to all aspects of your work (design & social content), providing meaningful insight to enhance overall project quality
- Work collaboratively with other designers and the whole creative team
- Execute and craft design to a superior standard within time and budget constraints
- Champion creative excellence at all times, and excellent eye for detail and quality assurance

WE ARE LOOKING FOR A CANDIDATE WHO:

- Has an impressive portfolio of innovative and creative design work
- In depth knowledge of Cinema 4D, After Effects, Photoshop and Illustrator
- An understanding of Social Media platforms and their design aesthetics
- Has first-rate typographic and layout skills, which sit hand in hand with a conceptual design mind
- Has a knowledge and thirst to investigate cutting edge creative trends then implement these into your own work and share inspiration with the team
- A team player who does not only follow a brief but can try new things to really bring their projects to life
- A high level of self-motivation together with a solid work ethic
- Organisational skills and capacity to juggle multiple tasks whilst maintaining attention to detail
- The ability to take on and retain information quickly and efficiently
- A good sense of humour, and someone who will slip straight into the team
- The strength of character to stay calm, communicate clearly and remain creative in a high-pressure environment
- Proactively keep your figure on the pulse within the world of design, which contribute to the design & concepts which provides exciting new solutions for our clients

The successful candidate will be rewarded with a competitive salary and benefits package.

Please apply by emailing jobs@zerodegreeswest.com with your CV, portfolio and a cover note detailing why you'd like to work with us!
